Figure 1: Schematic representation of the experimental design. The diagram shows a sequence of events: 'C' (Control) is presented first, followed by 'A' (Adaptation), and then 'C' (Control) again. The 'A' phase is highlighted with a red background. The 'C' phases are highlighted with a blue background. The 'A' phase is labeled 'Adaptation' and the 'C' phases are labeled 'Control'.

2010年12月10日

Figure 10: The distribution of the number of clusters in the W and C components. The W component has 49% of the clusters, and the C component has 51% of the clusters.

(. **Direc or -),**

(. **Li ing Rule -))**

A musical score for a string quartet, featuring four staves with various musical notations including notes, rests, and dynamic markings like 'C' and '&'.

Wang Liang, Chairman of the Board, and the other members of the Board, the Company, and the other parties involved in the transaction, shall be jointly and severally liable for the performance of the obligations of the Company under the Share Purchase Agreement.

The Board, in the process of emphasizing the Share Purchase Agreement and the terms of the Proposed Acquisition, are subject to further negotiation between the relevant parties. As of the date of this announcement, no legally binding agreement in relation to the Proposed Acquisition has been entered into. The Proposed Acquisition may or may not proceed. Transaction underlying the Share Purchase Agreement and/or the Proposed Acquisition, if materialized, may constitute a nonifiable transaction of the Company pursuant to the Listing Rules. Shareholders of the Company and investors are advised to exercise caution when dealing in the share of the Company. Further announcements in respect of the Share Purchase Agreement and/or the Proposed Acquisition will be made by the Company in accordance with all applicable requirements of the Listing Rules and when appropriate.
